

## Wedding Cakes - Ordering and Deliveries

### Placing Your Order:

Please Call in advance for an appointment. Appointments are available on Tuesdays, Wednesdays and Thursdays, 10:00am to 3:00pm. (530)742-9020. We do not recommend Fridays or Saturdays because we typically use these days to prepare wedding cakes.

### Reserving your Date:

You should allow 4 to 6 months lead time when booking your date. We take only a limited number of orders. Call to see if your date is available. All cakes have a non-refundable/non-transferable booking fee of \$100.00 or 50% of the order price if over \$500.00. Cake prices are determined on a cake-by-cake basis, depending on flavor, design and level of difficulty.

### Delivery Available:

Delivery availability is based on location of delivery destination (restrictions and fees may apply to deliveries and dates).
